The Seal of The American Kennel Club affixed hereto certifies that this pedigree was compiled from official Stud Book records on October 1, 2019.

Thank you for ordering a Certified Pedigree from the American Kennel Club®. A pedigree contains a great deal of information, and abbreviations are an unfortunate necessity. On this sheet you will find the meanings of or links to web pages for the abbreviations used for titles; countries (if a dog was from outside the US); colors and markings; OFA certifications, and genetic clearance information. Should you have further questions, please call the AKC® Customer Service office at 919-233-9767.

Abbreviations – Used for Titles

For a complete list of titles visit www.akc.org/events/titles/. Some titles are appended to the beginning of a dog's name, and others are appended after the dog's name. Note that titles earned in a foreign country, or under non-AKC rules and regulations, are not shown on the pedigree.
